Committee Meeting July 7, 2008

In attendance were: Michelle, Stephen, David, Katrina, Cassie, Pat and Melissa

Treasurer Report: none

Old Business:

- We made \$404.00 at the Mud Town Days Bake Sale!!!! WOW

New Business

- David reported that a company named Sigma wants to make a \$200 donation to our new trailer fund.
- We are going to set up an account at Snappy Logo for patches (75 cents each). Patches that we owe the boys will be ordered and passed out in the fall.
- Lake Atalanta Pool in Rogers is reserved for July 22nd from 6-8pm for our swim party/BBQ. The pool fee was waved but we still need to pay the lifeguards. Pack leaders will provide a simple hot dog BBQ dinner at the park. Money for the Arvest Ballpark Event will need to be collected at the Lake Atalana Pool Party if possible.
- Michelle brought up that we need to have a rep. at future district/roundtable meetings. If we take turns, each of us will just have to attend one or two district meetings per year.
- Roundup for Rogers Public Schools will be September 16th
- If you need or want leader training, please see Michelle about up coming trainings.
- Cub Adventure 2008 will be October 10, 11 and 12th. We need to discuss this more at our next committee meeting
- Leader Meeting- July 28th 6:00pm at Michelle's house. Dinner will be provided (Katrina will be there to supervise children so the leaders can focus :)
- Thoughts for fall: it may be helpful to parent if we put together a parent notebook and offer used uniforms and dues scholarships to scouts that have a need.

The meeting was dismissed at 8:00

Next meeting will July 28th at Michelle's house.
